

Hi [NAME]!

If you haven't seen our new essential oil kits and diffusers yet, you should check them out! Youngevity just released some great kits with brand new diffuser blends and roller bottles. You can view them online at [YGY4U.com/EssentialOils](http://YGY4U.com/EssentialOils).

There's a new mini catalog, too! It's the perfect size for bringing to a social or get-together. You'll find all of your favorite essential oils inside, as well as the new kits and diffusers.

If you have any questions, feel free to let me know!

Thanks!
