JULY 1-31 ONLY

This summer, focus on fitness to help yourself feel great! For added benefits, give yourself the energy, nutrients, and muscle & joint relief you need to succeed. We're bringing back some of our most popular Swap Where You Shop bundles this month – Snag your favorites between now and Monday, July 31st! Between now and July 31st, you can save on products for yourself or earn direct cash back rewards when you reach out and sell to others.

Swap Where You Shop

We're offering a limited time bundle for distributors and customers alike. This bundle can help you save on the products you love! Plus, you'll earn direct cash back as a reward when you reach out and sell bundles to your personally enrolled downline and customers.

Here's how the cash back rewards work:

As an enrolling Associate, for the first four bundles purchased by your personally enrolled downline, preferred customers, or new enrollees (including bundles purchased by your directly enrolled Associates), you'll get \$15 each in direct cash back. That's \$60 in cash rewards for four sales. When you sell a fifth bundle, not only will we raise the cash back amount to \$30 each, we'll apply it to the first four bundles as well. So the \$100 you earned for four sales becomes \$120, plus an additional \$30 for the fifth sale. That's a total of \$150 in cash back rewards for five sales, and with each additional sale, you'll receive an additional \$30.

BUNDLES SOLD	REWARD PER BUNDLE SOLD	TOTAL CASH REWARD
1	\$15	\$15
2	\$15	\$30
3	\$15	\$45
4	\$15	\$60
5	\$30	\$150
6+	\$30	\$180+
