Youngevity prohibits its distributors from making income earning claims in association with the promotion of Youngevity business opportunities. Whether an individual who becomes a Youngevity distributor will earn more than he or she pays for the business opportunity depends on multiple independent and dependent variables that are impossible to predict, such as economic factors unique to each location where product sales are attempted and the sales talents of each individual distributor.

MK COLLAB Jewelry

A new paradigm in fashion retail.

Imagine a time when the exciting and vibrant world of fashion would be open to all that possessed the passion and drive to succeed. An opportunity to partner with industry insiders and fashion professionals who would mentor and guide you on your journey into the business of fashion; all part of a company willing to invest in you — eliminating the high startup costs, steep learning curve and inventory requirements associated with opening your own business.

Imagine an opportunity where the traditional barriers to entry fall away, and your ability to succeed is based on your talent, energy and passion. This and so much more can now be yours through your own eBoutique made available by MK Collaborative.

MK Collab was founded on the principal that if we were to connect directly with the consumer through a mobile workforce of fashion advocates, we could change an industry and redefine consumer value!

Marisa Kenson

"Fashion is for everyone because it's an individual's expression of who they are and how they live their lives."

JEWELRY CARE CUIDADOS PARA LA JOYERÍA

OUR GUARANTEE:

At Youngevity, we value your trust and offer a limited lifetime warranty to ensure that we maintain your confidence in our products. Although wear and tear from daily use is not covered, all Youngevity products that fail, due to manufacturer defect, are eligible for a refund or exchange.

TO CARE FOR YOUR JEWELRY

To get the most out of your Youngevity jewelry, it is important that you take special care of your pieces. Here are some tips to prolong the life of your jewelry:

- Keep your jewelry stored in a cool, dry place. Humidity can cause tarnishing.
- Store your jewelry in an airtight container, such as a sealed bag or plastic container. Elements in the air will always cause any jewelry to oxidize over time.
- Your jewelry should always be the last thing you put on. Avoid applying hairspray or perfume when wearing any jewelry. These products will break down the plating on your jewelry, causing them to "wear" faster. Never shower with your jewelry on.
- Try to avoid abrasive cleaners—the driest method is the safest method. Polishing with a damp cloth should be sufficient. Allow your jewelry to dry completely before storing in an airtight container.
- Keep in mind that jewelry will wear at different rates for different skin types. The better care you take of your jewelry, the longer it will last.

NUESTRA GARANTÍA:

En Youngevity valoramos tu confianza, y para mantener tu confianza en nuestros productos, te ofrecemos una garantía de por vida limitada. Sin embargo, el desgaste del uso diario no está cubierto, todos los productos dañados por defecto de fábrica, están sujetos a reembolso o reemplazo.

CÓMO CUIDAR TU JOYERÍA

Para aprovechar al máximo tu joyería Youngevity, es importante que le brindes cuidados especiales. Algunos consejos útiles para prolongar la vida de tu joyería:

- \bullet Guarda la joyería en un lugar fresco y seco, la humedad puede ocasionar deslustre.
- Guarda la joyería en un recipiente hermético. Los elementos en el aire tienden a ocasionar oxidación de cualquier joyería con el paso del tiempo.
- La joyería siempre deberá ser lo último que te pongas. Evita aplicar fijador del pelo o
 perfume cuando traes puesta tu joyería. Dichos productos destruirán el enchapado,
 acelerando el desgaste natural. Nunca te bañes con tu joyería puesta.
- Evita el uso de limpiadores abrasivos el método más seco es el más seguro. Pulir con un trapo semi húmedo debe ser suficiente. Permite que tu joyería se seque completamente antes de guardarla en un recipiente hermético.
- Recuerda que la joyería se desgastará a diferentes velocidades de acuerdo al tipo de piel. Entre mejor cuides de tu joyería, más te durará.
