JANUARY – CELEBRATE RENEWAL!

Set a goal of how many lives you’ll change in 2019.

- *Jojoba - 2oz*
  A liquid wax oil that closely resembles the skin’s sebum, it’s used for nourishing all skin types.

- *Sacred Place™*
  This blend was formulated with high-frequency/energy oils and designed to generate similar high frequencies in any environment.

- *Patchouli - 10ml*
  Sourced from the leaves of the Pogostemon cablin plant, it contains patchouli alcohol (PA), which is believed to promote anti-inflammatory activities.

- *Lemon - 10ml*
  When thinking of Lemon Oil, simply think cleanser, freshener, and purifier.

FEBRUARY – CELEBRATE LOVED ONES!

Show love and compassion by promoting heart and relationship health.

- *Grapeseed - 2oz*
  An odorless, common blending oil, it’s rich in minerals, nutrients, linoleic acid, and Omega-3 essential fatty acids, providing essential nutrients to the skin.

- *All Heart™ - 10ml*
  Our heart is a muscle that works nonstop. The oils in the All Heart™ blend are thought to support the heart’s muscle tissue for greater vitality.

- *Ylang Ylang - 10ml*
  With a wide range of properties, this oil is thought to promote relaxation and provide other benefits.

MARCH – CELEBRATE MOMENTUM!

Time to evaluate and fine-tune the goals you set two months ago, ensuring you stay on track.

- **Apricot - 2oz**
  Good for all skin types. Apricot Kernel Carrier Oil has very little scent. It’s rich in Vitamin A and contains approximately 65% oleic acid (an omega-9 fatty acid).

- **Balance of Life™ - 10ml**
  This powerful blend is thought to promote inner rest along with providing various other benefits.

APRIL – CELEBRATE SPRING!

Promote physical and emotional well-being, through a balance of mind, body, and soul.

- **Kukui - 2oz**
  Rich in essential fatty acids and vitamins C and E, it’s an odorless, highly moisturizing oil which provides soothing and protective benefits for the skin.

- **Fir Balsam - 10ml**
  Containing antioxidant properties. Fir Balsam is believed to provide a wide range of benefits, including detoxifying the body.

- **Niaouli - 10ml**
  Niaouli is similar to its Tea Tree cousin. It’s known for a wide-range of uses, but mainly used to support the respiratory system.

- **Dill Blend™ - 10ml**
  Combining Dill Seed and Dill Weed, Dill Blend is non-toxic, non-sensitizing, and non-irritating, making it one of the gentlest oil blends. It’s known to support the digestive, respiratory, and renal systems.

MAY – CELEBRATE WOMEN!

Support what they really want: connection, love, and memories.

- **Rosehip - 2oz**
  Extremely high in essential fatty acids, Rosehip Oil is used as a moisturizer and may assist in reducing the visible signs of aging.

- **XY Blend™ - 10ml**
  Many people struggle with some form of hormonal challenges, which studies have shown can be a very delicate balance. XY Blend™ is primarily used to promote this balance in both women and men.

- **Clary Sage - 10ml**
  From puberty through menopause, Clary Sage Essential Oil is found to be especially beneficial for women. However, it may also help support both men and women with colic and other issues.

CELEBRATE LIFE!
