Youngevity®

Youngevity is dedicated to helping people achieve radiant good health and a fulfilling lifestyle. Founder Dr. Joel Wallach is a world renowned pioneer in nutritional research. He's also the man behind the landmark lecture "Dead Doctors Don't Lie." His research established the importance of 90 essential nutrients, which allow the body to avoid, and even reverse, many of today's pressing health concerns.

Vitality 90 For Life!

You've heard it, "If you don't have your health, you don't have anything." And in today's fast-paced, poorly nourished lives; it's more true than ever.

Your body depends on a core group of nutrients; including essential minerals, vitamins, amino acids, and essential fatty acids. These are known as the "90 Essential Nutrients" and serve as the foundation of Dr. Wallach's 90 For Life™ health campaign.

Youngevity offers 7 different Healthy Body Paks to support specific health concerns, and each provides the full 90 essential nutrients your body needs to achieve and maintain optimal health.
