## INSTRUCTIONS

### Merry Kisses Card Instructions

1. Cut 5 ½" x 8 ½" piece of Cranberry Crush cardstock, fold in half, and set aside for card base. Note, this is a side fold card.
2. Fussy cut tree and star from tree on red/green plaid 2" Border Strip (note, only 5 ½" of the tree is needed and the lower left edge is straight so leave as is).
3. Cut 5 ½" piece from green Merry Christmas 2" Border Strip. Cut 5 ½" piece from wood Pocket Border Strip; adhere to 2" Border Strip's right side. Adhere fussy cut tree to 2" Border Strip; adhere to card.
4. Cut Merry Kisses and Warmest Wishes from 2" Border Strip (approximately 2 ½"x 1 ¾"; remove grid paper from right side). Cut two 2 ½" pieces from wood Pocket Border Strip; adhere to sides of Merry Kisses piece. Adhere with foam squares to card.

### Patchwork Merry Christmas Card Instructions

1. Cut 5 ½" x 8 ½" piece of Cranberry Crush cardstock, fold in half, and set aside for card base. Note, this is a top fold card.
2. Cut four Pocket Border Strips to 3 ¾"; adhere to card base leaving border around sides. Note: we used green with red circles, tan with red and green stars, red grid, and tan with holly.
3. Cut 5 ½" x 7/8" rick rack and lace piece from In the air 2" Border Strip; adhere to center of card.
4. Cut Merry Christmas portion from the green Merry Christmas 2" Border Strip (approximately 1 ¼" high). Mat with Cranberry Crush cardstock; adhere to card with foam squares.
5. Remove small holly and berries element from Laser Cut Elements. Color with green and red pencils; adhere to right corner of Merry Christmas piece.

### Holly Merry Christmas Card Instructions

1. Cut 5 ½" x 8 ½" piece of Cranberry Crush cardstock, fold in half, and set aside for card base. Note, this is a top fold card.
