Hi [Customer First Name],

Just wanted to let you know we have a new Holiday Gift Guide!

The gift guide makes it really easy to find something special for your friends and family. You'll find lots of affordable kits and gift sets, as well as delicious seasonal chocolates, fun photo canvases, and healthy nutritional products—great for New Year's resolutions—and so much more! I know holiday shopping can get pretty hectic, so this guide is a great way to make things a little easier on your schedule (and your wallet)!

You can check out the gift guide at YGY4U.com/HolidayGiftGuide.

Take a look and let me know if you find anything you'd like!

Thanks!
