

More than Multi-Vitamin Nutrition...

KidSprinklz™ supplies 5 Key Probiotic Strains

Probiotics, the good bacteria needed to maintain a healthy balance of bacteria in the belly, help kids maintain a healthy digestive and immune system and help with the digestion and absorption of nutrients.

KidSprinklz™ supplies 5 different probiotic strains, carefully selected for the benefits they provide to kids health:

Lactobacillus acidophilus:

- Supplies natural antibiotic activities†

Lactobacillus plantarum:

- Promotes cellular repair and recovery†

Lactobacillus rhamnosus:

- Provides healthy immune support†

Bifidobacterium breve:

- Supports lactose intolerance concerns†

Bifidobacterium lactis:

- Promotes regular & comfortable elimination†

KIDS LOVE THE DELICIOUS TASTE!

PLUS: Unlike other probiotics, KidSprinklz™ probiotics are *microencapsulated*. This means each sprinkle is coated to protect its delicate live probiotics from harsh stomach acids. Thanks to this technology, we can *guarantee* that 1 billion live, active probiotic cultures are in each serving.

MULTI-VITAMIN POWDER SUPPLEMENT FOR KIDS

Vitamins, Minerals and Probiotics to support healthy, growing kids!†

www.Youngevity.com

How many times have you had to chase down your children in order to get them to take their vitamins? Even chewable gummy vitamins are hard to sell to kids nowadays. And in today's world, where getting essential vitamins and minerals from food sources is almost impossible, growing kids need a multi-vitamin supplement that will provide them with the nutrients they need for healthy development; and one that they'll love!

The Ultimate Kid's Multi-Vitamin + Probiotics Supplement!†

This new, mouth-watering children's supplement is a fun and easy way for kids to get the nutrients they need for healthy growth and development. All it takes is a quick sprinkle on the tongue and the KidSprinklz™ powder dissolves instantly providing a **DELICIOUS WATERMELON BURST** that supplies broad-spectrum, premium-quality nutritional support for your children's overall health and well-being.†

(30 packets)

Just a sprinkle of delicious KidSprinklz™ supplies nutritional goodness for your kid's healthy development!†

The "Watermelon Mist" Benefit: True to our delicious, natural Watermelon Mist flavor, each KidSprinklz™ serving supplies 200 mg of citrulline – an amino acid found in watermelon. Citrulline (its name derived from *citrullus*, the Latin word for watermelon) helps kids maintain a healthy and active lifestyle with nutritional support for energy metabolism and muscle development.†

Your children deserve great nutrition!
