

Hi [NAME]!

Mialisia just released a new collection of jewelry with great pieces for women, men, and even pets! You can check out the new pieces online at **YGY4U.com/MialisiaWinter**. There are seven collections in the winter line, where you'll find everything from beautiful new Essential Oil Locketts to popular VersaStyle pieces. Each collection is inspired by the season and includes a variety of styles that complement each other perfectly.

Take a look at the new collections and let me know if you have any questions!

Thanks!
