PIGPAK®

PIGPAK® PLUS

SO, WHY IS IT CALLED PIGPAK®?

Dr. Wallach is both a veterinarian and a physician. His early career as an exotic animal veterinarian taught him early on how to keep animals healthy through proper nutrition and supplementation. Health is the most valuable commodity any of us have and as Dr. Wallach says, optimal health doesn't cost, it pays. Nowhere is this more evident in maintaining health than keeping livestock healthy.

The name "PIGPAK" comes from this background and early experience. Keeping farm pigs healthy is of paramount importance to farmers. Dr. Wallach brings this concept of maintaining optimal health to the world in the form of the "PIGPAK". The 90 Essential Nutrients Dr. Wallach lectures and writes about, as critical to supporting health and wellness, are contained in these revolutionary product packs; affectionately known as the PIGPAK® and the PIGPAK® PLUS.

THE PIGPAKS® GO TO WORK RIGHT AWAY

Youngevity® is dedicated to providing you with the health and nutritional products you need to lead a full, healthy and happy life. That's why we are proud to provide you with our **PIGPAKS®**.

- **Plant Derived Minerals™** is a liquid concentrate containing a natural assortment of up to 77 minerals from prehistoric plants in their unaltered colloidal form. It helps support your fight against deficiencies.*
- **Ultimate Tangy Tangerine®** is a liquid multi-vitamin, mineral complex made from an assortment of natural plant derived minerals, vitamins, amino acids, and other essential nutrients. Combined with exercise and a healthy diet, Ultimate Tangy Tangerine® helps support optimal wellness for a longer, healthier life.*
- **Beyond Osteo-fx™** supports healthy bones and joints. Beyond Osteo-fx™ is the newest addition to our highly successful **PIGPAK®** (only available in the **PIGPAK® PLUS**). Beyond Osteo-fx™ contains 1200 mg of Calcium (from tricalcium phosphate and calcium citrate) that helps support strong bones.* **Shellfish-free!**
- **Ultimate™ Gluco-Gel™** helps support cartilage and joint function.* Gelatin contains chondroitin sulfate, a main building block of bone matrix, cartilage, ligaments, tendons and connective tissue.
- **Ultimate™ EFA™** promotes optimal health and well being. Consumption of Omega-3 fatty acids may reduce the risk of coronary heart disease.* FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.

While the items contained within the **PIGPAK®** and **PIGPAK® PLUS** are all natural, it is recommended that you consult with a healthcare professional before using this or any other weight management program.
