Rebound fx™ Citrus Punch is a high-powered alternative to the high-sodium, high-carbohydrate sports drink powders used by others! Rebound fx™ provides quick, sustained energy while supplying a balance of antioxidants, natural herbs, and minerals that must be replenished in order for the body to function at optimum levels.¹

Rebound fx™ is used and endorsed by former NBA All-Star, Theo Ratliff. The 6’10” center was drafted into the NBA in 1995 and became an all-around force in the NBA. He was widely known for his tireless energy – and the nickname “THE RATTLER.”
