

Hi there [Prospect or Customer First Name],
Have you heard about our newest products from Saveur Natural Foods? You'll love them!

Saveur has a line of natural and delicious spice rubs, seasonings, and mixes that you can add to your favorite foods for an extra punch of flavor. You can add them to almost anything – roasts, curries, dips, and even baked goods!

Happy to talk through any questions you may have about Saveur after you've had a chance to check out their spices.

You can take a look online at [There are recipes and videos on the site](http://Therearerecipesandvideos.com), too! It's located here: YGY4U.com/saveurus.

Thanks!
