

Introducing Youngevity's Premium Skin Care System!

Two Easy Steps to a **More Youthful You:**
Premium Enzyme Peel + Premium Night Cream

**Premium Skin
Care System
Step One:**

premium**ENZYME PEEL**
Renew Your Skin for a Youthful Look!

Our fast-acting **Premium Enzyme Peel** starts an *enzymatic exfoliation* on contact, breaking down and dissolving oil build-up and dead skin cells. It then lifts away dead and damaged cells, clears pores, hydrates and nourishes for beautifully, glowing skin and lasting youthfulness.

Delivering remarkable, lasting skin hydration with microdermabrasion-like effects through a never-before-seen complex of advanced anti-aging compounds:

- **Swiss Uttwiler Spätlauber Apple Stem Cells** that protect, replenish, and maintain skin cell balance in addition to renewing tissue damage caused by injury to the skin.
- **Papain from papaya** fruits helps dissolve dead skin and provides deep exfoliation for vibrant, fresh skin.
- **Aloe Leaf, Grape Seed, Raw Silk Amino Acids** and a wide-range of **Fruit Extracts** will also help maintain the longevity of your skin.

Premium Enzyme Peel - 15 mL
USYG00009

Directions:

On dry skin, gently apply in a circular motion until the exfoliating action starts to lift away dirt, dry skin, and other particles. Rinse away with warm water and pat dry with a wet towel or let air dry. For best results, use twice a week.

Premium Skin Care System Step Two:

premiumNIGHT CREAM

Wake Up With a Younger Touch!

Our silky-smooth **Premium Night Cream** pampers you at bedtime, while doing serious work as you sleep! We blend snake venom-derived peptides, rare nut butter from Borneo, Swiss apple stem cells and anti-aging compounds to renew skin, for a new, youthful morning complexion.

Youngevity's Premium Night Cream delivers luxurious, Botox-like, anti-aging benefits through its unique blend of ingredients found in the most exotic places in the world:

- **Peptide-Derived Temple Viper Venom** will help relax facial muscle activity, while smoothing away wrinkles and fine lines by modulating the repetitive facial movements associated with laugh/frown lines, crows' feet and other wrinkles.
- **Illippe Butter** from the exotic Light Red Meranti plant, found in the island rainforest of Borneo, softens and hydrates the skin providing lasting, moisturizing effects.
- **Swiss Apple Stem Cells, Botanicals, Vitamins A, C, & E, and Omega Fatty Acids** provide even more anti-aging support, helping to renew tissue damage, attract moisture to skin, and providing many other anti-aging benefits.

Directions:

Use nightly on dry skin, including after each Enzyme Peel application. Massage small amounts gently until cream has been fully absorbed.
