

Year in a Snap Email Invite Text

Hi <insert name>,

I have so many photos on my phone, computer, and in boxes and I'm guessing you do too. I have a quick and easy way to get those photos out of those places and albums and books that you can display and share.

<Thursday, July 20 at 7:00 pm> I'm starting a group at my house with a few friends and I'd love for you to join us. Everyone coming is in the same boat with their photos so we can all learn together. We'll meet once a month now through November to get as many photos in books and albums as we can

Let me know if I can add you to the attendee list. If I don't hear from you by <July 18th>, I'll send a quick text or email to follow up.

Can't wait to see you!
