INSTRUCTIONS

1. Cut six 6" x 5" pieces from XOXO Paper Collection (sample uses: red hearts and flowers on red for two banner pieces; hearts on white; heart arrows on black; pink and red stripe on white; hearts and flowers on black). Cut V in bottom of each piece (5" side) to create banner shape.
2. Print letter templates on printer paper. Lightly adhere letter to Perfect Pink Solid Core Cardstock pieces (make sure adhesive is outside the letter); cut around letter template. Use White Gelly Pen to outline each letter and adhere to a banner piece.
3. On L banner, adhere three pink gems on L. Adhere die cut pink heart with red glitter heart to left side of L. Attach dimensional white daisy with red glitter center below die cut heart.
4. On O banner, adhere three pink gems on top left side of O. Adhere die cut pink daisy to bottom center of O. Attach dimensional red glitter heart with scallop edge to the side of daisy.
5. On V banner, adhere pink swirl with conversation heart 2" Border Strip to bottom of banner piece; cut off excess border strip. Adhere three pink gems to upper right portion of V. Adhere Love You chipboard flag to bottom of V. Attach dimensional cupcake with white frosting and red glitter heart to left of flag.
6. On E banner, adhere three pink gems to bottom right of E. Adhere die cut white daisy to top left side of E. Attach dimensional white scalloped badge below daisy.
7. On one non-letter banner, adhere Always Love 2" Border Strip approximately 1/2" from left edge; cut off excess. Cut eyelet border from the Roses are Red 2" Border Strip; cut eyelet border in half. Adhere half of eyelet border to top of banner; cut off excess. Using foam squares, adhere die cut pink heart to right side of border strip and large die cut red with small pink heart below and to the right. Adhere one pink gem to each die cut heart.

8. On second non-letter banner, adhere hearts on string 2" Border Strip approximately $\frac{1}{2}$ " from right edge; cut off excess. Adhere other half of eyelet border to top of banner; cut off excess. Adhere die cut pink heart to left of border strip. Adhere large die cut dark red with small red heart below and to the left. Adhere one pink gem to die cut pink heart and two pink gems to hearts on border strip.
9. Punch holes in each banner piece approximately $\frac{1}{4}$ " from top and side edges. Thread red twine through first non-letter, L, and O banner pieces. Thread pink twine through V, E, and second non-letter banner pieces. Tie bow between O and V banner pieces with twine (note: excess twine should be on the non-letter banner pieces).
