INSTRUCTIONS

1. Use the cream with light teal flowers and light teal paper from Miracles and Milestones Designer Cardstock as background pages.
2. Punch bottom of 2" Border Strip with Bling Bling Design Cartridge. Layer over contrasting 2" Border Strip; adhere to left edge of left page.
3. Adhere two vertical photos next to the border strips, leaving about 1/2 inch between. Place another vertical photo to the right of the two stacked photos.
4. Cut a 4 1/4" x 4 3/4" piece from a contrasting colored Designer Cardstock for a background layer for the lower square photo. Choose a Family Faith Word Art Sticker to accent the photo and theme of your layout. Adhere using Foam Squares as shown.
5. Cut 5 1/2" X 12" piece from the same contrasting piece of Designer Cardstock; adhere approximately 1/2 inch from the bottom of the right page of the layout.
6. Cut a 4 3/4" x 12" piece from another contrasting color of Designer Cardstock to layer on top of the first contrasting colored Designer Cardstock on the right page as shown.
7. Choose a Journal Card and adhere on top of the layered Cardstock as shown. Use Foam Squares to adhere a Family Faith Word Art Sticker to title the journal card. Use the Brown Micron pen to add journaling details.
8. Place the horizontal photo to the left of the journal card.
9. Center the two square photos centered on the right page. Cut the corners of another journal card to create photo squares. Adhere with Foam Squares as shown.
10. Use the Bling Bling Design Cartridge to create accent stars to be placed in corners as desired.
