Rules & restrictions for Mexico, Russia, Singapore, Philippines, Australia, New Zealand

Sales Incentive

During the month of January, only, when you buy any two Healthy Body Start Pack, you'll get \$30 BACK in the form of credit in your YGY account.*

January Enrollment Promotion

If you're a Youngevity Distributor, this is a great opportunity to build your downline and encourage participation in the Better Health Challenge. For January, only, any kit included in this January Better Health Now campaign will also be *available in the enrollment process*** so purchase of these kits can be used as an enrollment tool. In other words, [any healthy body pack](#) can be used for enrollment, because we've placed them in the [JOIN/enrollment](#) section of the website – and there's no additional \$25 fee.

By enrolling a minimum of three (3) new people on any Healthy Body Start Pak, you'll receive:

- Your next month's Healthy Body Start Pak, FREE
- Special call-outs on a [leaderboard in the Recognition section of the Resource Center](#) and promotion on social media
- Entry in a drawing to win prizes (elevated prizes, if you enroll 6 or more people!)

**Applies to New Customers and Distributors. Packs include BV/QV, but \$30 product credit does not carry BV/QV. Purchase of Healthy Body Paks and weight loss kits can be placed separately, but both purchases must be made within January. Credit will be added to your account. Credit can be applied to any new order placed after January 31, 2018 by ordering through customer service.*

***Enrollment promo applies to countries where Healthy Body Paks and/or Weight Loss kits are sold. Applicable Healthy Body Paks can be found in enrollment section as follows: USA (Youngevity.com), CA (BuyYGY and Back Office), MX (Back Office), and AU/NZ (BuyYGY and Back Office). For all other countries, check Back Office or contact customer service. Weight loss paks (e.g. Rev 90, Keto 90, Wellness 90) not yet available in countries outside the USA and CA.*
