Retail Profit: 20% of BV (paid on customers and reps you personally refer)

QV = 5% of Purchase Amount (not including fees)

BV = 5% of Purchase Amount (not including fees).

Example: a customer of yours spends \$300 for 2 nights hotel room. Personal QV would be \$15 for your personal qualifications and Retail Profit would be \$3 paid to you. If hotels: This occurs the month after travel is used. If entertainment it occurs the month after purchase.
